6th District Newsletter

Fall 2018

Dear 6th District Constituents and Friends,

As Chairman of the Finance and Audit committee, I have an important role in the county budget process. I have and always will, take my role as a Stewart of Milwaukee County's resources very seriously.

I am pleased to report that the Milwaukee County Board on Monday, November 5, 2018 passed a comprehensive and challenging budget on a 17-1 vote that balanced the need for our many state mandated services while maintaining fiscal restraint and responsibility on behalf of all taxpayers.

The final 2019 budget added .54% (just over ½ of 1%) to the county tax levy, which is well under the cost of living index and will add zero to your 2019 Milwaukee County tax bill without any major service cuts.

A major challenge in this budget, and of those in the future, will be addressing a growing structural budget deficit. Inflation costs increase on average 2.3% yearly, merely to provide the same level of public service.

There is no question that our county, and all other counties around the state, need a "FAIR DEAL" from the State of Wisconsin. For example: Milwaukee County taxpayers are now sending \$400 million more each year to Madison than we did in 2009. And yet, none of that extra revenue comes back to Milwaukee County in the form of state aid to pay for state mandated services.

Please join me and many others in lobbying the Governor and our state representatives to reassess this lack of fairness to Milwaukee County taxpayers.

Sincerely,

James Luigi Schmitt
